INTRODUCTION

The Northwest Ohio Educational Service Center (NwOESC) acts to support and encourage all staff members in building a strong educational system for our youth. In addition, NwOESC desires that each employee's years of service to education in the communities of Northwest Ohio be both successful and rewarding.

To further those ends, NwOESC has prepared this handbook of policies and procedures. Please note the following:

1. The information is divided into five main sections, each followed by several subsections.
2. Unless otherwise stated, "the Board" refers to the Northwest Ohio Educational Service Center Governing Board and "the Superintendent" refers to the Northwest Ohio Educational Service Center Superintendent.
3. If at any time an employee has personnel questions or concerns beyond the scope of this handbook, please consult with the Superintendent.

Please read this handbook carefully and keep it available for reference.

EMPLOYMENT

Section 1

1.1 PROCESS

The NwOESC Board shall approve the employment, fix the compensation, and establish the terms of employment for each person employed by NwOESC.

Any employee's misstatement of pertinent material regarding qualifications for employment or the determination of salary is considered by the Board to constitute grounds for dismissal.

The employment of certified employees prior to approval by the Board is authorized when their employment is required to maintain continuity of services in NwOESC. Retroactive employment shall be recommended to the Board at its next regular meeting.

All candidates shall be recruited specifically for a position with equal opportunity given to all in compliance with all state and federal laws.

1.2 CONTRACTS

Contracts are issued to encompass the school year as established by the official Board calendar. Contracts for service are issued in accordance with the position for which the individual is employed.

No teacher or administrator shall terminate his/her contract after July 10 and before the termination of the next succeeding school year without Board approval.

The progression from one contract to the next is contingent upon the results of the evaluation process. Any certified staff employed under an alternative, temporary, or supplemental license or conditional permit will only be issued one (1) year contracts.

Teachers:

The employment contract for teachers shall include:

- A. Time for which employment is contracted including beginning and ending dates,
- B. Salary according to the salary schedule, and
- C. Such other matters as may be necessary to provide a full and complete understanding of the contract.

Contracts for teachers shall be granted in accordance with the requirements of Ohio Revised Code (ORC) 3319.08 and any applicable Board Policies.

Staff eligible for continuing contract status shall inform the Business Office in writing by January 31 of the school year in which eligibility occurs. The required information (i.e. transcripts) must be on file by March 1 of the school year eligibility occurs.

Administrators:

Each administrative employment contract governed by ORC 3319.02 shall include:

- A. An employee's position,
- B. The wage and other compensation to be paid,
- C. The term for which employment is contracted, including beginning and ending dates, and
- D. Such other matters as may be necessary to provide a full and complete understanding of the contract.

Initial employment contracts for administrators may not exceed three (3) years in duration; following three (3) years of NwOESC employment, the term of subsequent contracts shall be no less than two (2) years and no more than five (5) years. However, the board of education may, on a one-time basis, and upon the recommendation of the superintendent, issue a one-year contract to such person.

1.3 PREVIOUSLY RETIRED EMPLOYEES

In selecting potential employees who have retired from SERS, STRS or similar public employment systems, the Superintendent is directed to determine the appropriate salary schedule placement based on experience, certification and availability of employees in the job classification being filled.

Certified staff (teachers, related service providers, supervisors, consultants, etc.) hired under this policy shall be offered contracts of up to one (1) year in length. Previously retired employees will be eligible for health, dental and life insurance benefits. Benefits will be offered to those employees meeting the minimum eligibility requirements for such coverage.

Employees hired under this policy will not be eligible to receive a severance benefit upon leaving the employment of the district.

Nothing in this policy should be construed as a right of reemployment for those employees who retire from NwOESC. Reemployment recommendations will be made on a case by case basis at the discretion of the Superintendent and subject to final approval of the Board.

1.4 EMPLOYMENT REQUIREMENTS

Verification of Employment Eligibility

Federal law requires that all employers and employees, hired after November 6, 1986, complete an Employment Eligibility Verification Form (Form I-9) provided by the U.S. Immigration and Naturalization Service. All such employees must provide documents that establish both identity and employment eligibility in order for Form I-9 to be completed and signed by both the employee and an NwOESC official. Form I-9 must then be retained for three (3) years or for one (1) year past the end of the employment of an individual, whichever is longer.

Criminal History Records Check

In accordance with State law, each applicant being recommended for employment as well as current employees on a periodic basis must complete a criminal background check. Guidelines require a criminal background check including information from the Bureau of Criminal Identification and Investigation (BCII) and a criminal history records check, which will include criminal history information from the Federal Bureau of Investigation (FBI). After initial employment, an employee who holds a license, certificate or permit issued by the Ohio Department of Education will be required to complete a records check from the Federal Bureau of Investigation upon renewal of a teaching certificate, license, or permit, and, for professional staff members with a permanent teaching certificate the records check must be completed as required by law, no less than every five (5) years. Employees not living continuously in Ohio during the five (5) year period will also be required to complete a records check from the Bureau of Criminal Identification and Investigation.

Newly employed persons will be deemed conditionally employed pending receipt of satisfactory report(s). If the records check is unsatisfactory, the applicant shall be released immediately. Any information obtained by the Board under this policy shall be considered strictly confidential and shall not be made public. The information may be released to the State Department of Education, Division of Teacher Certification, should the Superintendent determine that convictions noted could be cause for the revocation of the individual's ODE certificate, license, or permit. Records of an applicant not subsequently employed shall be destroyed.

NwOESC will pay the cost of the initial records check for part-time and full-time employees (except for substitute employees). NwOESC will also pay the cost of the records check for employees who hold a supplemental, conditional, or alternative license who are transitioning to a standard license (if required for assignment or at the request of the superintendent), for employees who need a current background check to apply for a temporary/supplemental/alternative license (if required for assignment or at the request of the superintendent), and for all NwOESC bus and van drivers upon hire or assignment of the driving duties and then every six (6) years thereafter for recertification.

Staff Training and Requirements

Staff employed are required to complete trainings, professional development, and other requirements necessary to their position. This may include CPI, Public School Works, HQT, Preschool trainings, Bus and/or Van Driver trainings, physicals, and other such trainings or requirements. Failure to complete as directed may result in disciplinary action up to and including termination.

Staff Professional Conduct

All staff should immediately notify the superintendent of any pending criminal action for which he/she has been arrested, summoned and/or indicted for any crimes listed under ORC 3319.31(C).

Van and/or bus drivers convicted of a traffic violation or having their commercial driver's license (CDL) suspended must file a written notice of the conviction or suspension immediately with the Superintendent, irrespective of whether the traffic violation occurred while operating a Board-owned vehicle or a private vehicle or during school or non-school hours. Failure to file the required written notice of conviction or suspension will result in the revocation of the driver's certificate and/or disciplinary action, up to and including termination.

Physical Examination

All preschool teachers will be required to undergo physical examinations. The cost of the physical will be reimbursed according to Board approved rates.

1.5 TRANSFER

The Superintendent assigns personnel when such assignments involve a transfer from one building to another or one service area to another. Transfers may be voluntary or involuntary. Basic responsibilities for each employee category shall be contained in job descriptions kept on file at the NWOESC office. Additional assignments, not in conflict with the individual's primary assignment and certification, may also be made if circumstances warrant.

The Superintendent shall, in considering any transfer, base a decision on the needs of the Board.

1.6 RESIGNATION / TERMINATION / NON-RENEWAL / REDUCTION IN FORCE

Resignation or Termination

Without the consent of the Board, a certified staff member may not terminate their contract after the 10th day of July of any contract year, or during the school year term.

A certified staff member desiring to resign should submit an original, signed letter of resignation to the Business Office. A certified employee's resignation, once accepted by the Superintendent on behalf of the Board, and subject to Board ratification, shall be deemed effective as of the date and time of the Superintendent's acceptance. The resignation will terminate such contract by the individual. Resignations between contract years for classroom personnel shall be effective August 1 for those employed on August 1 through July 31 contract years, and for extended contract personnel (beyond nine (9) months in length) shall be effective July 1 for those on July 1 through June 30 contract years.

Termination of certified staff members shall be governed by ORC 3319.16 and Board Policies.

Non-Renewal

- A. The Board, upon the recommendation of the Superintendent, may exercise its option under law not to renew the contract of a teacher under a limited contract provided all provisions in statute have been observed with regard to the evaluation of the employee.

A teacher employed under a limited contract, but not eligible for consideration for employment under a continuing contract, shall be considered to be reemployed unless the Board, acting on the Superintendent's recommendation, gives the teacher notice of its intention not to reemploy in accordance with ORC 3319.11.

- B. The Board, upon the recommendation of the Superintendent, may exercise its option under law not to renew the contract of an administrator under a limited contract provided all provisions in statute have been observed with regard to the evaluation of the employee. Nonrenewal of an administrator's contract shall be done in accordance with ORC 3319.02.

Reduction In Force (Non-Administrative)

It is the responsibility of the Board to provide appropriate staffing levels for the implementation of the educational program of NWOESC and the operation of the schools and to do so efficiently and economically.

The Board reserves the right to reduce positions and to suspend the contracts of staff members pursuant to the requirements of Ohio law.

Reduction In Force (Administrative)

This policy pertains to the reduction in force of administrators, supervisors, management level employees, and all other employees whose contracts of employment are governed by ORC 3319.02 (hereafter collectively referred to as “administrator”). The Board may suspend an administrator’s contract of employment for the following reasons:

- A. Declining enrollment of students served by NwOESC, in a particular school building or a particular grade level;
- B. A return to duty of an administrator from an approved leave of absence;
- C. The suspension of schools or other changes affecting the number of school districts and/or students served by NwOESC;
- D. A change in the financial condition of NwOESC;
- E. The reorganization of the management structure of NwOESC;
- F. Any other financial reason that the Board, in its sole discretion, determines warrants a reduction in force;
- G. Loss of funding for a particular program, project or grant;
- H. Changes in the curriculum or academic programs of NwOESC;
- I. Territorial changes affecting NwOESC;
- J. Those actions necessitated or mandated by virtue of the No Child Left Behind Act, also known as the Elementary and Secondary Education Act, and any State or Federal Regulation relating to that Act;
- K. Needs of the Board.

In determining the order in which an administrator’s contract will be suspended, the Board may consider the following factors:

- A. Administrators who have retired and returned to employment;
- B. Staffing and personnel needs of the Board;
- C. Seniority or inverse seniority of the administrators employed by the Board;
- D. Experience, qualifications and/or licensure/certification of the administrator;
- E. Present administrative and/or job assignment;
- F. Performance of the administrator, including but not limited to, job evaluations;
- G. Any other factor(s) the Board, in its sole discretion, determines relevant.

None of the aforementioned factors are dispositive of the determination of the order of suspension.

All employees whose contracts are suspended pursuant to this policy shall be placed on a recall list for reemployment for a period of up to six (6) months, beginning with the effective date of the suspension. If a vacancy occurs, all of the administrators on the recall list shall be notified, by certified mail, of said vacancy. The Board will have fulfilled its notice requirements if the notice is sent to the last address left by the administrator. Unclaimed, refused or undelivered notices shall constitute a refusal of the vacancy. The administrator is responsible for keeping the Board apprised of the administrator’s most current address. The administrator must, within seven (7) days of the receipt of the notice, notify the Board of the administrator’s interest in the vacancy. Failure to notify the Board within the stated time period shall result in the removal of the administrator from the recall list, and shall be deemed a waiver of any future notices. Upon receipt of the notices from the responding administrators, the Board shall recall the most qualified candidate. The most qualified candidate shall be determined in the sole discretion of the Board. If an administrator refuses to accept an offered vacancy, the administrator shall be removed from the recall list and any obligation of the Board under this policy shall cease.

In the event of an administrative reduction in force, administrators who have a continuing contract of employment as a teacher with the NwOESC will be offered a teaching position on a seniority basis if they are certified to teach in a particular assignment currently vacant.

1.7 EMPLOYEE RIGHTS

The Governing Board does not discriminate on the basis of race, color, national origin, sex (including sexual orientation and transgender identity), disability, age, religion, military status, ancestry, genetic information (collectively, "Protected Classes"), or any other legally protected category, in its programs and activities, including employment opportunities.

The Superintendent shall appoint and publicize the name of the Compliance Officer(s) who is/are responsible for coordinating the NwOESC’s efforts to comply with applicable Federal and State laws and regulations, including the

NwOESC's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination or denial of equal access. The Compliance Officer(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination in Employment Act is provided to staff members and the general public.

Rights of Staff with Disabilities

No otherwise qualified person shall, solely by reason of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity sponsored by the Board.

No employee or candidate for employment shall be discriminated against in recruitment, employment, promotion, training, or transfer solely because of his/her disabling condition. A complaint regarding a violation of law and this policy in an employment decision shall be subject to a complaint procedure that provides for the prompt and equitable resolution of disputes. Refer to the complaint procedure in this handbook.

Americans with Disabilities Act (ADA) Grievance Procedure

The Board has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by the U.S. Department of Justice regulations implementing Title II of the Americans with Disabilities Act (ADA). Title II states, in part, that "no otherwise qualified disabled individual shall, solely by reason of such disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in programs or activities sponsored by a public entity."

Reporting Sexual and Other Forms of Harassment

Conduct constituting sexual harassment may take different forms, including but not limited to the following:

Sexual Harassment

- A. Verbal...The making of offensive written or oral sexual innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, threats, or proposition toward or by a fellow staff member, student, or other person associated with the Board, or third parties (visiting speaker, athletic team member, volunteer, parent, etc.)
- B. Nonverbal...Causing the placement of offensive sexually suggestive objects, pictures, or graphic commentaries in the school/work environment or the making of offensive sexually suggestive or insulting gestures, sounds, leering, whistling, and the like to or by a fellow staff member, student, or other person associated with the Board, or third parties.
- C. Physical Contact...Threatening or causing unwanted touching, contact, or attempts at same, including patting, pinching, brushing the body, or coerced sexual activity with or by a fellow staff member, student, or other person associated with the Board, or third parties.

Gender/Ethnic/Religious/Disability/Height/Weight Harassment

- A. Verbal...Written or oral innuendoes, comments, jokes, insults, threats, or disparaging remarks concerning a person's gender, national origin, religious beliefs, etc. that are offensive to or by a fellow staff member, student, or other person associated with the Board, or third parties.
- B. Nonverbal...Placing objects, pictures, or graphic commentaries in the school/work environment or making insulting or threatening gestures that are offensive to or by a fellow staff member, student, or other person associated with the Board, or third parties.
- C. Physical Contact...Any intimidating or disparaging action such as hitting, pushing, shoving, hissing, or spitting on by a fellow staff member, student, or other person associated with the Board, or third parties.

Any staff member who believes that s/he is the victim of any of the aforementioned actions or has observed such actions taken by a supervisor, coworker, student, or other person associated with the Board or third parties should promptly take the following steps:

- A. If the alleged harasser is the staff member's supervisor, the affected employee should, as soon as possible after the incident, contact the NwOESC Compliance Officer (see listing in back pages of this handbook).
- B. If the alleged harasser is not the staff member's supervisor, the affected staff member should, as soon as possible after the incident, contact his/her supervisor. The supervisor is directed to then contact the NwOESC Compliance Officer.

- C. If the alleged harasser is a student, the supervisor should immediately inform the student's principal of the alleged harassment, and also the NwOESC Compliance Officer.

The staff member may make contact either by a written report or by telephone or personal visit. During this contact, the reporting staff member should provide the name of the person(s) whom s/he believes to be responsible for the harassment and the nature of the harassing incident(s). A written summary of each such report is to be prepared promptly by the staff member receiving the report and forwarded as indicated above.

Each report received by the NwOESC Compliance Officer, as provided above, shall be investigated in a timely and confidential manner. While a charge is under investigation, no information is to be released to anyone who is not involved with the investigation, except as may be required by law or in the context of a legal or administrative proceeding. No one involved is to discuss the subject outside of the investigation. The purpose of this provision is to:

- A. Protect the confidentiality of the staff member who files a complaint;
- B. Encourage the reporting of any incidents of harassment;
- C. Protect the reputation of any party wrongfully charged with harassment.

Investigation of a complaint will normally include conferring with the parties involved and any names of apparent witnesses. All staff members and others involved are to be protected from coercion, intimidation, retaliation, or discrimination for filing a complaint or assisting in an investigation.

At the conclusion of the investigation, the Compliance Officer or designee will prepare and deliver to the Superintendent a written report summarizing the evidence gathered during the investigation and providing his/her recommendations regarding whether or not the complaint of unlawful harassment has been substantiated. The written report must be based on the totality of the circumstances involved in the complaint, the nature of the alleged conduct, the context in which the alleged conduct occurred, and the ages and maturity of the individuals involved.

If the investigation reveals that the complaint is valid, then prompt, appropriate remedial and/or disciplinary action will be taken immediately to prevent the continuance of the harassment or its recurrence.

The Board recognizes that determining whether a particular action or incident is harassment or, conversely, is reflective of a social relationship without a discriminatory or intimidating intent or effect must be based on all of the facts in the matter. Given the nature of this type of intimidation, the Board recognizes that false accusations of harassment can have serious effects on innocent individuals. Accordingly, all staff members are expected to act responsibly, honestly, and with the utmost candor whenever they present harassment allegations or charges against fellow staff members, students, or others associated with the Board or third parties.

Genetic Information

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an employee or their family members. In order to comply with this law, the District will direct employees not to provide any genetic information in response to requests for medical information, including but not limited to, FMLA certification or recertification. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's family member's genetic tests, the fact that an individual or an individual's family sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Safety and Occupational Health

The policy of the Board is to provide a safe work environment, safe work practices, and safety equipment for its employees to the extent it is possible to do so within the limitations of NwOESC's resources and the limitations of human error, and considering that some employees must abide hazardous working conditions inherent in the nature of their jobs.

To that end, the Board will endeavor to comply with existing applicable safety and occupational health Federal, State, and local laws and to promote safety in the workplace. To affect this policy:

- A. It is the responsibility of all employees to prevent injury to themselves and to others, not only at work, but also off the job, to comply with NwoESC's safety policies and standard operating procedures, and to assist fellow employees to achieve the same goal.
- B. It is the responsibility of all supervisors to provide for the safety of the employees working under their supervision, and for the effective administration of the Board's safety program in their area of authority.
- C. It is the responsibility of the Superintendent to formulate, coordinate, and direct NwoESC's safety program and to assist employees and management in achieving their safety goals and objectives.
- D. It is the responsibility of all supervisors to support this safety policy and to participate actively in the safety program.
- E. It is the responsibility of any employee to report any unsafe condition or any unsafe act by anyone in the workplace. Such situations should be reported to a supervisor or superintendent or designee.

This policy is a general statement of NwoESC's goals with certain instructions to supervisors and employees. However, the safety program encompasses a broader range of safety policies, administrative guidelines, and standard operating procedures too voluminous to include in this handbook.

1.8 DISCIPLINARY MATTERS

Disciplinary Action

The Board, through the administration, may take disciplinary action against an employee which may include oral reprimand, written reprimand, suspension without pay, or termination.

At the employee's request, a representative of their choosing may be present whenever disciplinary action is taken.

Disciplinary action without pay is subject to the grievance procedure set forth in board policy. A suspension shall be held in abeyance until any grievance has been heard.

Nothing herein shall preclude the Board from instituting suspension or termination proceedings pursuant to Board Policies and the Ohio Revised Code. (ORC 3319.16)

In the event that it is necessary to take disciplinary action against an employee, a notice in ordinary and concise language shall be sent to the employee specifying:

- A. The specific acts upon which the disciplinary action is based, and
- B. A date when the employee may be heard if he/she so wishes.

1.9 ALCOHOL / DRUGS / TOBACCO

Drug-Free Workplace

No employee shall unlawfully manufacture, distribute, dispense, possess, or use any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, or any other controlled substance, as defined in Federal and State law, in the workplace.

"Workplace" is the site for the performance of any work done in connection with NwoESC. The workplace includes any school building, school property, any vehicles used for school business, or any school-sponsored or school-related activity, event, or function, such as a field trip or athletic event (wherever the location), which is under the jurisdiction of Board employees.

As a condition of employment, each employee shall notify his supervisor, in writing, of his conviction of any drug or alcohol statute for a violation occurring in the workplace, as defined above, not later than five (5) days after such conviction.

Employees who violate this policy shall be subject to disciplinary proceedings in accordance with prescribed NwoESC administrative regulations, local, State, and Federal laws up to and including termination. Any employee in violation of this policy may be required to participate in a drug or alcohol abuse assistance or rehabilitation program approved by the Board.

NwoESC does not maintain a drug/alcohol rehabilitation program, but there are programs within area communities available to employees who need help with a drug or alcohol problem.

Substance Abuse

The Board recognizes alcoholism and drug abuse as treatable illnesses. Such illnesses may impair the performance of staff members. When appropriate, the Board may assist such employees in a manner recommended by appropriate specialists in the treatment of those illnesses.

A staff member having an illness or other problem relating to the use of alcohol or other drugs will receive the same careful consideration and offer of assistance that is presently extended to staff members having any other illness.

The responsibility to correct unsatisfactory job performance or behavior resulting from a suspected health problem rests with the staff member. Failure to do so will result in appropriate corrective or disciplinary action as determined by the Board.

No staff member will have his/her job security or promotion opportunities jeopardized by his/her request for counseling or referral assistance.

Staff members who suspect they may have an alcohol or other drug abuse problem are encouraged to seek counseling and information on a confidential basis by contacting resources available for such service.

1.10 STAFF COMMUNICATION AND COMPLAINT PROCEDURES

Each staff member is encouraged to communicate necessary information or concerns to the appropriate individuals. Because of the size and scope of NwOESC, the following guidelines are suggested:

- A. Notify your immediate supervisor within NwOESC. Though some employees operate with day to day guidance from the local school administrations, concerted effort should be given to communicating issues to your immediate supervisor within NwOESC as well as your building administrator when appropriate.
- B. If you have a situation that needs immediate attention from the NwOESC supervisor, they may be contacted through the office phone, or cell phone.
- C. In non-emergency situations, when your immediate supervisor cannot be contacted by office phone or cell phone, use electronic mail to let your supervisor know you have questions or concerns.
- D. When you need to have a discussion on several items or one that may take more than a few minutes, arrange for a conference that will give both parties time to communicate. Remember all employees strive to schedule their time wisely, just like you.
- E. If one or more staff members have a concern about the behavior of a fellow staff member or about some aspect of the operation of NwOESC or local district that is not functioning:
 1. As it should,
 2. In accordance with an agreed-upon plan, or
 3. Because an informal commitment by the administration is not being fulfilled, the staff member(s) should make arrangements to discuss the matter with the immediate NwOESC supervisor as soon as feasible.

If the matter is not or cannot be rectified satisfactorily by the supervisor, the staff member(s) may request a meeting with the Director of Special Education or the Director of Curriculum, Instruction and Professional Development. The request should be in writing and include:

1. The specific nature of the problem and a brief statement of the facts giving rise to it,
2. A brief statement explaining how the staff member(s) are affected by it, and
3. The action which the staff member(s) wishes to be taken and how such action would rectify the problem.

The Director of Special Education or the Director of Curriculum, Instruction, and Professional Development, after reviewing the request, will either meet with the staff member(s) or provide a written decision explaining the District's position on the matter.

A written appeal of the Director of Special Education's decision or the decision of the Director of Curriculum, Instruction and Professional Development may be submitted to the Superintendent with final appeal to the Board if the problem remains unresolved.

1.11 CONFIDENTIALITY OF STUDENT RECORDS AND INFORMATION

NwOESC is committed to maintaining the security and confidentiality of all student records and/or student personally identifiable information. As an employee, you may have access to student records and/or student

personally identifiable information that must be maintained as confidential and not released and/or permitted access to except as authorized by Board policy and Ohio student privacy laws. Violations of this duty may result in disciplinary action up to and including termination.

- A. All student records are considered confidential.
- B. Directory information including the student's name, address, telephone number, date and place of birth, major field of study, participation in officially-recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received and previous educational agencies or institutions attended, can only be shared with administrative approval.
- C. Records may not be left in a place where they can be viewed by others.
- D. Copies of records may only be shared with administrative approval.
- E. Employees shall not discuss or repeat information overheard while in the staff lounge, classrooms, offices, school grounds, hallways, school or extra-curricular activities.
- F. Employees shall not discuss information obtained while in a classroom, such as a student's grade or behavior, with anyone other than appropriate educational staff or student parent(s) or guardians.
- G. Concerns or questions regarding student records or issues of confidentiality should be brought to the attention of your immediate supervisor.
- H. Any knowledge of a violation of these provisions must be immediately reported to your supervisor.

1.12 WHISTLEBLOWER PROTECTION

The Board expects all its employees to be honest and ethical in their conduct, and to comply with applicable State and Federal law, Board policies and administrative guidelines. The Board encourages staff to report possible violations of these Board expectations to their immediate supervisors.

It is the responsibility of an employee who is aware of conduct on the part of any Board member or employee that possibly violates Federal or State law, or Board policy, to call this conduct to the attention of his/her immediate supervisor. If the employee's immediate supervisor is not responsive or is the employee whose behavior is in question, the employee may report to the Superintendent. If the reported conduct relates to the Superintendent, the report may be filed directly with the Board President.

After such a report is made, the immediate supervisor will ask that the employee's report be put in writing. Any employee making such a report shall be protected from discipline, retaliation, or reprisal for making such report as long as the employee made a reasonable and good faith effort to determine the accuracy of any information reported. Employees are subject to disciplinary action, up to and including termination, for purposely, knowingly, or recklessly making a false report under this policy. Conversely, employees are subject to disciplinary action, up to and including termination, if they are aware of a violation of Federal, State, or local law that the Board has the authority to correct and they do not make a report confirmed in writing to their immediate supervisor.

In the case of reporting suspected fraud or fraudulent activity, an employee may file a report using the Auditor of State's system for reporting of fraud. This reporting mechanism may be used either in addition to or instead of filing a written report with the employee's supervisor or other NwoESC authority.

2.1 ATTENDANCE

The privilege of NwOESC employment imposes on each staff member the responsibility to be on the job on time every scheduled work day. This responsibility requires that the employee maintain good health standards, take intelligent precautions against accidents, both on and off the job, and manage personal affairs in order to satisfy NwOESC attendance requirements.

The Superintendent is required, because of the high costs of absences and disrupted work schedules, to give continuing attention to the maintenance of regular attendance by employees.

The periods of work required of the certified staff shall be clearly specified. The Superintendent or designee shall specify the working hours for certified employees.

A staff member who fails to give prompt notice of his/her absence, misuses sick leave, fails to verify his/her absence in accordance with Board policy, falsifies the reason for an absence, is absent without authorization, is repeatedly tardy, or accumulates an excessive number of absences without good cause may be subject to discipline up to and including termination.

The Board reserves the right to assess an employee's salary for failure to perform contracted services for situations not specified herein, or for gross violations of this policy. 2.9 LOCAL PROFESSIONAL DEVELOPMENT COMMITTEE (LPDC)

LPDC Organizational Structure

NwOESC LPDC shall consist of six (6) members:

- A. Four (4) teachers, elected by a majority vote of teacher employees (by definition, "teacher" implies any certified employee not holding an administrative contract),
- B. Two (2) administrative employees designated by the Superintendent, and
- C. The selection process will be administered by the Superintendent.

LPDC members will serve for terms of three (3) years from August 1 until July 31. Elections will be held as vacancies occur.

LPDC Participation

Certified employees whose license renewal/advance depends on LDPC approval, should submit to the LPDC an Individual Professional Development Plan (IPDP) by the Wednesday following Labor Day of their first year of employment with NwOESC or soon after date of hire if that date is after Labor Day. These plans should align with the expiration of the license and reflect the mission and goals of NwOESC.

Information on LPDC Exemptions

School social workers, school speech-language pathologists, school nurses, school audiologists, occupational therapists, physical therapists, occupational therapy assistants and physical therapy assistants are required to maintain licensure through their respective Ohio professional licensure board. To renew five-year professional Ohio Department of Education pupil services licenses in these areas, educators must maintain their other board license. By doing so, they meet all Ohio Department of Education renewal requirements and therefore, do not need to work through the LPDC. These educators renew their license by submitting a renewal application with proof of current professional board licensure directly to the Ohio Department of Education.

While ODE-licensed school counselors and school psychologists are not required to maintain concurrent professional licensure through the Ohio Counselor, Social Workers and Marriage and Family Therapy Board (counselors) or the Ohio State Board of Psychology (psychologists), some individuals do hold both the ODE license and a professional board license. Holders of five-year professional ODE pupil services licenses for school counselor or school psychologist who also hold a corresponding professional board license may renew the ODE license based on maintaining licensure through the respective professional licensure board, and do not need to work through an LPDC. Holders of five-year professional ODE school counselor or school psychologist licenses who do not maintain a concurrent professional board license are required to work through the LPDC to renew their ODE licenses.

Holders of two-year provisional teaching or school counselor licenses, and teachers working under the four year Resident Educator license, do not work through the LPDC to renew provisional licenses or to advance from a provisional license or Resident Educator license to a professional license.

Individuals may apply directly to the ODE Office of Educator Licensure to renew a provisional license, in order to obtain another provisional license if they do not hold a position that enables them to complete the Ohio Resident Educator Program under a Resident Educator license.

Individuals who have completed an Ohio teacher induction program (Entry Year Program or Transition Resident Educator Program) also apply directly to the ODE Office of Educator Licensure, having had their application signed by the superintendent or designee and the mentor. Once the professional license has been obtained, regular LPDC procedures apply to the renewal of the professional license.

Educators holding alternative resident educator licenses, including career-technical workforce development teachers, do not work through the LPDC. Once the professional license has been obtained, regular LPDC procedures apply to the renewal of the professional license

Educators holding an alternative principal license, alternative administrative specialist license, or alternative superintendent license do not work through the LPDC to renew the alternative license. Once a professional license is obtained in the area in which the alternative license was formerly held, regular LPDC procedures apply to the renewal of the professional license.

Educators holding a one-year temporary pupil services license or one-year supplemental teaching license do not work through the LPDC to renew the temporary or supplemental or to advance to the standard license in the area in which the temporary or supplemental license was held. Once a professional license has been obtained in the area, regular LPDC procedures apply to the renewal of the professional license.

For more specific information regarding LPDC, please consult the current version of the LPDC Employee Handbook available on the NwOESC website.

2.10 TECHNOLOGY PRIVACY

The Governing Board recognizes its staff members' right to privacy in their personal lives. This policy serves to inform staff members of the Board's position with respect to staff-member privacy in the educational and workplace setting and to protect the Board's interests.

All Educational Service Center Technology Resources (as defined in Bylaw 0100) are the Board's property and are intended to be used for business purposes. The Board retains the right to access and review all Information Resources (as defined in Bylaw 0100), including but not limited to electronic and voice mail, computer files, databases, and any other electronic transmissions contained in or used in conjunction with the Board's computer system/network, telephone system, electronic mail system, and voice mail system. Staff members shall be notified that they have no expectation that any personal information/data maintained, stored, or transmitted on or through such systems is confidential or private.

Review of such information may be done by the Board with or without the staff member's knowledge. The use of passwords does not guarantee confidentiality, and the Board retains the right to access information in spite of a

password. A staff member's refusal to permit such access may be grounds for discipline up to and including discharge.

Center Technology Resources are to be used only for business and educational purposes.

Personal messages via Board-owned technology should be limited in accordance with the Superintendent's guidelines. Staff members are encouraged to keep their personal records and personal business at home. Because Center Technology Resources are to be used primarily for business and educational purposes, staff members are prohibited from sending offensive, discriminatory, or harassing computer, electronic, or voice mail messages.

Center Technology Resources must be used properly. Review of computer files, electronic mail, and voice mail will only be done in the ordinary course of business and will be motivated by a legitimate business reason. If a staff member's personal information is discovered, the contents of such discovery will not be reviewed by the Board, except to the extent necessary to determine if the files/e-mail/voice mail constitute a public record or if the Board's interests have been compromised. Any information discovered will be limited to those who have a specific need to know that information.

The administrators and supervisory staff members authorized by the Superintendent have the authority to search and access information electronically.

All Center Technology Resources and Center Information Resources are the property of the Board. Staff members shall not copy, delete, or remove any information/data contained on Center Technology Resources without the express permission of the Superintendent, or communicate any such information to unauthorized individuals. In addition, staff members may not copy software onto any Center Technology Resources and may not bring software from outside sources for use on Center Technology Resources without the prior approval of the Superintendent or designee. Such pre-approval shall include a review of any copyright infringements or virus problems associated with such outside software.

2.11 COPYRIGHT WORKS

The Board directs its staff and students to use copyrighted works only to the extent that Title 17 of the United States Code permits.

Works created by employees for the NWOESC shall be considered works for hire and shall be owned by the Board.

Because the Board hosts a website and stores information on it at the direction of users, it is classified as an on-line service provider for copyright purposes. In order to limit the Board's liability relating to material/information residing, at the direction of a user, on its system or network, the Board directs the Superintendent to receive notification of claimed infringement.

The Superintendent is authorized to credit, for placement on the salary schedule, past service of an applicant for employment in NwOESC in accordance with Ohio laws.

According to Policy 3411, the Superintendent shall arrange credit for past service of each new staff member for proper placement on the salary schedule on the following basis:

The total credit for years of service specified in B-D above shall not be more than ten (10) years and may vary depending upon the Superintendent's evaluation of the staff member's background and previous experience.

- B. an overseas dependent school operated by the U.S. Armed Forces;
- C. a college, university, or related work experience.

Initial salary schedule placement for all staff will be based on a review of the application materials. Receipt of college credit documentation and verification of employment forms from previous employers will initiate movement to the appropriate level on the salary schedule (placement beyond step #11 is at superintendent discretion). New employees have sixty (60) days from their first assigned day of work to provide previous experience information and college transcripts for adjustment in salary schedule placement.

One (1) year of experience is defined as at least 120 days of service in a contract year; or 120 days accumulated in two (2) or more consecutive years with the same employer with no days from a single contract year counted towards more than one year of experience (cannot add days from multiple years and divide by 120 days). For NwOESC employees completing less than 120 paid days in a contract year, salary schedule movement will be based on the accumulation of a total of 120 paid days in two (2) or more consecutive contract years with NwOESC.

Each teacher who has completed training which would qualify him/her for a higher salary bracket shall file original transcripts with the Business Office by the last business day of September for a first half of the year adjustment or by the last business day of February for a second half of the year adjustment. Graduate courses must have a grade of 'C' or better to be accepted toward movement on the salary schedule. Also, a letter may be sent by the employee to the NwOESC Business Office indicating eligibility for revision of salary schedule placement due to the completion of coursework.

*If your injury requires **emergency** medical attention, call 9-1-1 immediately and seek medical care.*

Section 4123.54 of the Ohio Revised Code requires notice of rebuttable presumption. Rebuttable presumption means that an employee may dispute or prove untrue the presumption (or belief) that alcohol or a controlled substance not prescribed by the employee's physician is the proximate cause (main reason) of the work-related injury.

The burden of proof is on the employee to prove that the presence of alcohol or a controlled substance was not the proximate cause of the work-related injury. An employee who tests positive or refuses to submit to chemical testing may be disqualified for compensation and benefits under the Workers' Compensation Act.

- B. Reimbursement shall be made according to Board approved rates only upon the presentation of original receipts for all expenses submitted for reimbursement. No reimbursement shall be made unless original receipts are presented for all costs except mileage. Tips, gratuities or alcoholic beverages are not allowable expenses for reimbursement. The Superintendent, in consultation with the CFO/Treasurer, may grant reasonable additional allowances for lodging and meal expenses for National Conference attendance outside of Ohio.
- C. Mileage must be computed as actual miles driven at the rate currently approved by the Board for its employees. Mileage will be paid to only one driver to a given destination on a given date unless specific approval is given in advance by the Superintendent or designee.
- D. The staff mileage reimbursement rate will be established based on the Internal Revenue Service (IRS) mileage rate as of August 1 of each calendar year. The rate will be reduced during the calendar year if the IRS mileage rate is reduced for any period of the calendar year until the next August 1 effective date.
- E. Grant programs with specified reimbursement rates will follow those rates to maintain compliance.

Local travel expense incurred in the execution of duties shall be defined as official business trips required during a working day to commute from a professionally related appointment to another or following a normal working day, to travel to a location for the purpose of fulfilling one's work-oriented obligations as approved by the employee's supervisor.

- C. The total number of semester hours approved for all employees will be divided into the budgeted amount from "A" to determine the amount to be reimbursed per hour with the maximum amount to be \$200.00 per semester hour or \$133.00 per quarter hour.
- D. All class work reimbursed, must be approved in advance of the start of the course by the Superintendent. To be approved, class work must be at an accredited teacher training institution, be at the graduate level (or in the case of certification requirements, a 300 or 400 level course), and be related to the position held with the Board or related disciplines.
- E. Payment will be made in October for course work taken through the preceding August 31 to current employees for credit hours earned. All paperwork must be submitted to the Superintendent by September 15. Past staff members who are not employed by NwOESC in October are not eligible for reimbursement of coursework unless their separation from employment was caused by non-renewal or reduction in force. Non-renewed employees will not be reimbursed for classes started after the date of the non-renewal notice UNLESS the employee is rehired by NwOESC in the following contract year.

Interested employees should contact the NwOESC Business Office for a listing of currently approved providers.

NwOESC requires that all employees wishing to participate in a tax sheltered investment plan need to complete the NwOESC's Salary Reduction Agreement and Certification of Compliance forms in addition to completing any applications with the provider. Approved deductions will start with the first of a month.

3.9 403(b) UNIVERSAL AVAILABILITY NOTICE

You have the opportunity to save for retirement by participating in NwOESC's 403(b) plan. You can participate in the 403(b) plan by making pre-tax contributions by completing and submitting a salary reduction agreement to the Business Office and enrolling with one of the investment providers which NwOESC has approved. The salary reduction agreement gives NwOESC the right to take the elected dollar amounts or percentage from your paycheck and contribute those amounts to your 403(b) provider. For a complete list of investment providers available to you through the plan and their contact information, please contact the Business Office.

All NwOESC employees are eligible to participate. You may contribute at least \$18,000.00 per year with this amount changing annually. ATTENDANCE

All employees are obligated to report regularly for the performance of their duties. During a period of authorized absence, partial or full compensation may be paid if the employee maintains a positive sick or personal leave balance. Absences not approved by the Superintendent or designee, however, are considered as unauthorized and no payment of salary shall be made. Unauthorized absence from duty may be considered by the Board as cause for suspension or dismissal.

All leaves of absence should be reported in AESOP as soon as the need to request sick leave is apparent. If the absence cannot be entered into the AESOP system via on-line access or phone access, the employee must contact the Business Office as soon as possible to have someone enter the absence on their behalf. It is the employee's responsibility to verify the accuracy of the absence requests since this is the way leaves are requested. If an error is found, the discrepancy must be reported to the Business Office immediately. A staff member who fails to give prompt notice of his/her absence, misuses leave, fails to verify his/her absence in accordance with Board policy, falsifies the reason for an absence, is absent without authorization, is repeatedly tardy, or accumulates an excessive number of absences without good cause shall be subject to discipline up to and including termination.

The Superintendent or his designee shall provide employees with a work calendar which specifies the starting and ending dates of their employment each contract year.

4.1 SICK LEAVE

All regular full-time employees shall be granted sick leave at the rate of one and one-quarter (1 ¼) days per month of completed service to a maximum of fifteen (15) days per school year.

Employees who render regular, part-time services shall be entitled to sick leave in proportion to the time actually worked. Employees working different hours per day within a normal work week and employees not working all work days within a normal week, shall accumulate sick leave based on a percentage of the full-time work schedule of comparable employees in the same employment category.

Substitutes or persons who are employed by the Board on an as-needed, seasonal, or intermittent basis shall not be eligible for paid sick leave.

For those eligible, sick days may be taken in one-quarter (1/4) day increments.

An employee who fails to give prompt notice of his/her sick leave usage, or who misuses sick leave, or is absent without authorization, repeatedly tardy, or who is chronically absent without good cause shall be subject to discipline, up to and including termination from employment.

The Superintendent or designee may require a physician's statement corroborating the use of sick leave after an employee has used three (3) or more consecutive days of sick leave. Falsification of a sick leave statement by an employee is grounds for the suspension or termination of the employee's employment contract.

Upon approval by the Superintendent or designee, an employee may use sick leave for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to others, and for absence due to illness, or injury, of the employee's family members including: spouse, child, stepchild, foster child, grandchild, parent, stepparent, or parent-in-law; or other relative residing in the same household.

The personnel records of NwOESC shall show the absences of each employee and shall be recorded with the reason for such absences noted. A record shall be made of unused sick leave days accumulated by each employee. All leaves of absence should be reported in AESOP as soon as the need to request sick leave is apparent or by 6:45 AM. If the absence cannot be entered into the AESOP system via on-line access or phone access due to an emergency situation, the employee needs to contact the Business Office immediately to have someone enter the absence on their behalf. Emergency situations occurring after 8:15 AM must be called into the Business Office as the AESOP system will not allow phone or on-line entry after that time. Note that leaves beyond five (5) days cannot be entered into the AESOP system by individuals so a contact with the Business Office is required. It is the employee's responsibility to verify the accuracy of the absence requests since this is the way leaves are requested. If an error is

found, the employee needs to report the discrepancy immediately to the Business Office. Sick leave requests for relatives must include the relationship in the AESOP request to verify the leave eligibility.

Unused sick leave may accumulate up to 185 work days. Previously accumulated sick leave of a person who has been separated from public employment shall be placed to his/her credit upon reemployment with the Board up to the maximum days allowed by this policy, provided that such reemployment occurs within ten (10) years of the date of the last separation from public service.

Employees who are newly employed or who have exhausted their sick leave accumulation may be advanced five (5) sick leave days. Sick leave days which are advanced to an employee shall be charged to any subsequent accumulation and may not exceed the number of days that can be earned during the balance of the current contract year. Use of advanced sick leave days are not automatic, but must be requested by the employee. An employee may use up to five (5) days of sick leave for absence due to a death in the employee's immediate family. For purposes of this policy, "immediate family" shall mean the employee's spouse, child, stepchild, foster child, grandchild, parent, stepparent, or parent-in-law; or other relative that resided in the same household. Use of sick leave in excess of five (5) days for a member of the immediate family shall require the employee to submit a written request to the Superintendent.

An employee may use two (2) days of sick leave for absence due to the death of extended family members. For purposes of this policy, extended family members shall mean the employee's sibling, grandparent, aunt, uncle; any such in-law, or any such step-relative. Use of sick leave in excess of two (2) days for the death of an extended family member shall require the employee to submit a written request to the Superintendent.

Sick leave requests for bereavement must include the relationship in the AESOP request to verify the leave eligibility.

To request consideration of sick leave use in the event of the death of a family member not specified above, the employee is required to submit a written request to the Superintendent. The request should indicate the relationship of the deceased and the number of days requested.

4.2 PERSONAL LEAVE

The Board shall provide for an employee's absence for personal necessity. Up to three (3) full days of unrestricted personal leave with pay may be used, if approved by the Superintendent or designee, each contract year by eligible employees. Personal leave is not cumulative. Personal leave days must be used in full or half day increments. Personal leave days will be prorated for employees who are employed for less than a full year contract (i.e. staff employed in July, August, September, October, or November will receive three (3) days; December, January, February, or March employment will receive two (2) days; and those employed in April, May, or June will receive one (1) day.

Personal leave days may be used for personal obligations that are necessary and compelling which involve family events, legal transactions, or personal emergency, subject to the following conditions:

- A. Requests shall be recorded in advance using the AESOP system at least five (5) work days in advance, except in the event of an emergency (i.e.: death of someone not covered by sick leave, court appearance, legal/financial appointments). All personal leave requests are subject to prior approval by the employee's immediate supervisor using the AESOP system.
- B. The number of persons granted personal leave for any one (1) day may be limited as determined by the employee's immediate supervisor. In classrooms with multiple NwOESC employees, only one employee per work day may be absent on personal leave (except for emergency leaves). Please coordinate the scheduling, to the extent possible, by communications with your co-workers in the same classroom.
- C. Personal days are paid to eligible employees on an average of hours worked for the two (2) week pay period, up to a maximum of eight (8) hours per day.
- D. Paid personal leave may be taken in one-half (1/2) day increments.
- E. Employees assigned to a minimum of twenty-five (25) hours per week in a least a nine (9) month position will be eligible for the personal leave reimbursement. All eligible staff members will be reimbursed at the current board approved daily rate for substitutes, based on the balance of unused personal days on June 30 of the contract year.

4.3 HOLIDAYS

The Board authorizes that offices be closed on the following holidays: New Year's Day, Martin Luther King Day, Presidents' Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving, the day after Thanksgiving, Christmas Eve Day, Christmas Day, and New Year's Eve Day. Instructional and related service personnel will follow the schedule and calendar of their assigned building/district.

Holidays are paid to eligible employees, via contract terms, on an average of hours worked for the two (2) week pay period, up to a maximum of eight (8) hours per day

4.4 HAZARDOUS WEATHER / EMERGENCY

On hazardous weather days, instructional staff assigned to a specific site will operate according to their assigned school schedule for the day (i.e. delays, cancelations). It is the expectation that applicable make up time (extended days, additional days) will be followed as well, dependent upon the assigned school site schedule. Related service staff, staff who travel to multiple locations, and school psychology staff will operate according to their overall assignment, however will be required to make up days when school is canceled if extending beyond 5 (five) days per year. These staff should consult with the Director of Special Education to approve their make-up plan.

Employees with NwoESC office hours (Superintendent, Directors, Supervisors, Consultants, etc.) will be expected to work on hazardous weather days, even if the local districts are closed due to the weather. Late arrivals or early dismissals due to weather conditions may be permitted (in connection with amount of travel time required). Employees shall contact their direct Supervisor if they anticipate a late arrival. On rare occasions, the Superintendent may delay or close the office due to inclement weather or other conditions. Notice will be provided via email to building staff, and via office phone system recording and WTOL Channel 11 to the general public. During Hazardous Weather/Emergency, some essential personnel may be required to report to work.

Sick, personal, or vacation days scheduled on a day when a cancelation day occurs (assigned facility is closed) will not be charged against an employee's sick, personal, or vacation leave balance. Partial day delays will not reduce days charged against sick, personal or vacation accumulated balances.

4.5 DOCK OR DEDUCT DAYS (Non-Paid Leave) Understanding the positive relationship between regular attendance of employees to quality service delivery, dock days are not considered to be a solution in most instances of absence from work. The use of dock/deduct days is highly discouraged and will only be considered in extreme cases.

Non-paid leaves of absence will only be granted on a case by case basis at the discretion of the Superintendent. A request for non-paid leave should be made in writing and submitted to the Superintendent for review. Non-paid leaves will only be considered in cases where personal days are not available or sick leave is not appropriate for the situation. Employees who do not follow the request procedure will be subject to disciplinary action. Employees who are denied dock/deduct days are required to report to work (unless other leave is applicable) or they are subject to disciplinary action up to and including termination.

4.6 UNCOMPENSATED LEAVE

The Board reserves the right to specify the conditions under which uncompensated leave may be taken.

- A. Eligibility: Subject to Board approval, uncompensated leave may be granted to teaching employees.
- B. Application: Request for uncompensated leave shall be made to the Superintendent or designee at least four (4) weeks in advance of the desired date leave is to begin, except in emergency situations.
- C. Period of Leave: An uncompensated leave may be granted for a period of up to one-half (1/2) of a contract year.
- D. Commitment of Employee: Employees granted an uncompensated leave shall inform the Board within sixty (60) days of the scheduled return date as to their intentions. If the notification is not received, action may be taken to terminate employment. Upon return from leave for health reasons, employees will furnish a physician's certificate stating they are able to resume normal duties.
- E. Commitment of Employer: At the expiration of the uncompensated leave, the employee shall be offered a like position to that previously held, if available. While on uncompensated leave in excess of thirty (30) calendar days, employees shall be entitled to insurance benefits if the employee pays the entire premium. The employee will bear sole responsibility for the purchase of STRS credit during uncompensated leave.

4.7 MATERNITY LEAVE

An employee who anticipates the birth or adoption of a child shall notify their immediate supervisor and the Business Office as soon as the employee has knowledge of the pregnancy or adoption and an approximate arrival date. A written notice should also be given for Board approval which contains estimated due date, the approximate length of requested leave and what paid days are to be charged with the absence (sick, personal, vacation) and if dock time is desired. The total amount of sick leave to be used is limited to a maximum of eight (8) calendar weeks, unless the employee's condition requires an extension of sick leave. Any such request will be processed in the same manner as other sick leave requests. Note that leaves beyond five (5) days cannot be entered into the AESOP system by individuals so a contact with the Business Office is required when the leave begins. Use of paid sick leave for birth or adoption is limited to the eight (8) calendar weeks immediately following the arrival date. (Refer to the following FMLA section for other maternity guidelines for eligible employees.)

4.98 PATERNITY LEAVE

An employee who anticipates the birth or adoption of a child may request up to five (5) days of sick leave to be used immediately following the birth or arrival of their child. The employee should notify their immediate supervisor of their intent to use paternity leave. A written notice should be provided to the Business Office indicating the approximate arrival date and the number of days requested.

4.9 FAMILY & MEDICAL LEAVE ACT (FMLA)

The Board will provide leave to eligible employees consistent with the Family and Medical Leave Act (FMLA). Eligible employees are entitled to up to twelve (12) work weeks of unpaid family and medical leave in any 12-month period; such leave can only be taken on the basis of a rolling year, i.e., the 12-month period begins with the first day of leave taken under FMLA (e.g., if the first day of leave taken is June 1, the 12-month period will end on May 30 of the following year). The Board will continue to pay its share of the employee's health and dental benefits during the leave. In addition, the Board will restore the employee to the same or a similar position after the termination of the leave in accordance with Board policy.

Leave Entitlement

An employee who has worked for NwoESC for at least twelve (12) months and for at least 1,250 hours over the twelve (12) months prior to the leave request is eligible for twelve (12) work weeks of FMLA leave. NwoESC may require, an employee to use accrued paid vacation, personal, or sick leave concurrent with the use of FMLA leave. An employee cannot compel NwoESC to permit the employee to use accrued medical/sick leave in any situation which the leave could not normally be used.

Types of Leave

An eligible employee may take FMLA leave for:

1. The birth and first-year care of a child (leave must conclude within 12 months of birth),
2. The adoption or foster placement of a child (leave must conclude within 12 months of placement),
3. If the employee is needed to care for a spouse, child, or parent with a serious health condition, or
4. The employee's own serious health condition that keeps the employee from performing the essential functions of his/her job.
5. Any qualifying exigency (as defined in Federal regulations including but not limited to attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.) arising out of the fact that the staff member's spouse, son, daughter, or parent is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.
6. To care for a spouse, son, daughter, or parent who is a qualified service member. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list. Leave under this category may be up to twenty-six (26) weeks in a twelve (12) month period.

The term "serious health condition" is defined as an illness, injury, impairment, or physical or mental condition that involves:

1. More than three (3) consecutive, full calendar days of incapacity plus two (2) visits to a health care provider. The two visits must occur within thirty (30) days of the beginning of the period of incapacity and the first visit to the health care provider must take place within seven (7) days of the first day of incapacity.

2. More than three (3) consecutive, full calendar days of incapacity plus a regimen of continuing treatment. The first visit to the health care provider must take place within seven (7) days of the first day of incapacity.
3. "Periodic visits" for chronic serious health conditions which includes at least two (2) visits to a health care provider per year.

In cases in which the Board employs both spouses, the total amount of FMLA leave is twelve (12) weeks for the couple, except when the leave is due to a serious health condition of either spouse or a child.

Intermittent and Reduced Leave

Intermittent leave is leave taken in separate blocks of time due to a single illness or injury.

Reduced leave is a leave schedule that reduces the employee's usual number of hours per work week or hours per work day.

Intermittent or reduced leave is available only for the employee's own serious health condition or to care for a spouse, dependent child, or parent with a serious health condition. The use of intermittent or reduced leave shall be limited to a total reduction of twelve (12) work weeks calculated by the amount of leave actually taken. Such leave may be used, at the discretion of the Superintendent, for the birth or adoption/placement of a child.

The employee who wishes to use intermittent or reduced leave must have the prior approval of NwOESC. The employee should submit a request in writing to the Superintendent. Employees must make a reasonable effort to schedule such leave so as not to interrupt the operations of the District.

If such leave is foreseeable, NwOESC may temporarily transfer the employee to a position which better accommodates recurring or intermittent periods of leave. The alternative position shall have equivalent pay and benefits. The employee must furnish NwOESC with the expected dates of the planned medical treatment and the duration of the treatment. The Superintendent must authorize such leave in writing.

Instructional staff who request intermittent or reduced leave which exceeds 20% of the total number of work days over the period of anticipated leave must either:

- A. Take leave for a period of a particular duration, not greater than the duration of the planned treatment; or
- B. Temporarily transfer to an available position for which the instructional staff member is qualified, and that has equivalent pay and benefits, which better accommodates recurring periods of leave.

4.10 UNREQUESTED LEAVE

The Board reserves the right to place an employee on an unrequested leave of absence for physical or mental disability pursuant to law (3319.13 O.R.C.).

4.11 MILITARY SERVICE

Any newly employed teacher placed on the salary schedule shall be credited with one (1) year of NwOESC service for each year of military service to a maximum of five (5).

Requests for military leave shall be made to the Superintendent at least four (4) weeks in advance of impending military service.

For purposes of seniority and placement on the salary schedule, years of absence in the armed service of the United States or the auxiliaries thereof shall be counted as though teaching services had been performed during that time.

Each employee must notify the Board of his/her intention to resume employment within ninety (90) days of release or discharge, no less than thirty (30) days before the beginning of the semester, and shall present to the Board evidence of an honorable discharge or a discharge under honorable conditions.

Request for military leave of absence may be made by those employees who are members of the Ohio Defense Corps, Ohio National Guard, Ohio Naval Militia, U.S. Army Reserve, U.S. Naval Reserve, U.S. Air Force Reserve,

U.S. Marine Corps Reserve, or other organizations affiliated with the Reserves or on an order by the Governor of Ohio. All employees on such leave for no more than thirty-one (31) days per year shall receive full compensation during the period of leave and shall accrue seniority status during the period of their leave.

Employees shall make every effort to schedule their period of training during summer months when school is not in session. If the period of training occurs during a school session, employee shall provide the Superintendent with the name of their supervisors in the reserves of the militia so that arrangements may be discussed to alter such service date.

4.12 JURY DUTY

Should an employee be called for jury duty, he/she shall record the absence on the AESOP system prior to the date of the absence.

Employees who are called to serve will not be penalized in any way for doing so. They will receive full pay if they endorse the check received from the court or pay the amount shown on their record slip, less parking fees upon receipt of payment from the court. While on jury duty, employees are required to report daily their schedule for the following day. The time spent on jury duty will not be charged against personal leave and will count as time on the job.
